Hi Beth,  
Happy New Year! Coming to Wolf Trap would be great. Sure, Elinor can help set best date.

Hi Scott –

As we get into the New Year, Arvind and I would like to follow-up on our summertime lunch and subsequent conversations about Wolf Trap and our long-term vision for facility enhancements.

We are at point where we're ready to share some conceptual design plans, and I wanted to get your advice on the best next steps to bring you (and at whatever time you feel appropriate, Secretary Zinke) into the conversation.

May we work with Elinor to find a time in the coming weeks to bring you up to speed on our plans? We would need no more than an hour of your time – and could meet at your office, or, of course, would be happy to welcome you to Wolf Trap.

Many thanks and we look forward to hearing from you -

- Beth
